

READ  
MY  
RIDER

**Access Riders are documents that disabled artists use to share their access requirements and are vital tools for allowing disabled artists to work without barriers.**

If an artist you are working with doesn't have an Access Rider, you can ask some simple questions instead:

**What are your access requirements?**

**What can we do to help you feel more included?**

Listen to disabled artists:

**“READ MY RIDER, act on it.”**
